1. Ownership

The Trial Font is protected by copyright. The Licensor retains all rights, title and interest. You receive a limited license to use the Trial Font, not ownership of it.

2. License: Personal Use Only

The Licensor grants you a free, non-exclusive, non-transferable license to use the Trial Font for **personal, non-commercial purposes only**, on one computer or device, by one user. "Non-commercial" means use that does not generate income and is not connected to a business, brand, client or organization.

- Examples of allowed use: testing and evaluating the font before you buy the full version.
- Personal projects, gifts, school or university work, and hobby designs.
- Posting personal, non-monetized images on social media, as long as you do not share the font files.

3. What You May Not Do

- Use the Trial Font for any commercial purpose, including client work, paid or monetized content, advertising, products for sale, merchandise, packaging, logos, brand identity, websites, apps, games, e-books, film, TV or video productions.
- Share, resell, sublicense, rent, lend, give away or upload the Trial Font files anywhere, including font websites, file-sharing platforms, public repositories or cloud folders accessible to others.
- Modify, convert, extend or create derivative works from the Trial Font.
- Use the Trial Font, its outlines or its glyph images to train, fine-tune or evaluate any artificial intelligence or machine learning model, or to create datasets for such purposes.
- Use the Trial Font in NFTs.
- Use the Trial Font in any unlawful, defamatory, hateful or infringing content.

4. Limited Version

The Trial Font is provided in desktop formats only (TTF and OTF). It does not include web font formats (WOFF, WOFF2) or other formats and files included in the full version. The character set is limited to basic Latin uppercase letters (A-Z) and digits (0-9). Lowercase letters, accented and extended characters, punctuation, symbols, decorative glyphs and other features of the full version are not included. It receives no updates and no support.

5. Commercial Use

To use Tatra in any commercial project, you must purchase the full Tatra font license. Using the Trial Font in a commercial project is a breach of this Agreement, even if the project was started as a test. Questions about licensing: vasurdana@gmail.com

6. Warranty and Liability

The Trial Font is provided "as is," without warranties of any kind, express or implied. The Licensor does not guarantee that the Trial Font will work in every software, operating system or device, or that it will be free from errors or interruptions.

To the maximum extent permitted by law, the Licensor is not liable for any damages, loss of profit or data arising from the use of the Trial Font.

7. Termination

This Agreement is effective until terminated. It terminates automatically if you violate any of its terms. Upon termination, you must delete all copies of the Trial Font. The Licensor may also terminate this Agreement at any time by notice. Purchasing the full license does not retroactively authorize commercial use of the Trial Font.

8. Governing Law

This Agreement is governed by the laws of Poland. Any dispute shall be resolved by the competent courts of Poland, without prejudice to any mandatory consumer rights you have under the law of your country of residence.
